THE IMPACT

Enjoy local and national craft beers with 2,500 community partners, other donors and friends of Riverside Rotary Club while supporting Community PedsCare®.

COMMUNITY PEDSCARE® is a pediatric program of Community Hospice & Palliative Care. Serving the five-county area of Baker, Clay, Duval, Nassau and St. Johns counties, Community PedsCare serves more than 175 children and their families daily. Community PedsCare offers both palliative care for children with life-limiting and life-threatening conditions who are still seeking aggressive or curative treatment, as well as hospice care for children and their families who seek to focus on life and living, while our team surrounds them to support, navigate the steps ahead and reach for comfort and quality.

THE NEED: The vast majority of children in the Community PedsCare program are enrolled in palliative care where services are not reimbursed by insurance. Care for these children is provided at no cost to the families, and philanthropic support is required to ensure availability of services. Since 2016, Riverside Craft Beer Festival has donated over **\$255,000** to Community PedsCare to ensure the children and their families have the support they need through challenging times.

RIVERSIDE ROTARY FOUNDATION funds a multitude of charitable projects in our local community, including scholarships to First Generation College Students at UNF, through Riverside Rotary Scholarship Fund; Student Dictionaries to every Third Grader at Stockton, Fishweir, Venetia, Ruth Upson, West Riverside, Central Riverside and Ortega Elementary Schools; funding of incoming and outgoing exchange students through Rotary International's Rotary Youth Exchange; funding no cost meals at the I.M. Sulzbacher Center and for the U.S.O. No-Dough Dinners for our local service men and their families; and many more charitable uses depending upon needs and requests to Riverside Rotary.
